

Pleasant Hill Preschool Tuition and Fees 2024-2025

Thank you for your interest in enrolling your child at Pleasant Hill Preschool! Below is our fee schedule and our financial policies for the 2024-2025 school year. Please email me at preschool@pleasanthillpc.org if you have any questions or concerns.

Please note that **ALL** tuition payments and fees are non-refundable.

Enrollment Fees:

There is an application fee of \$25 when first enrolling your child as a new student. This fee puts your child on our waitlist. They are not guaranteed a spot until the Director has determined that there is space and you have received an email telling you that there is a spot for your child. Once you have accepted the spot, the \$25 application fee is applied as a credit on your account and is put toward the \$175 registration fee for new students. The registration fee for returning students is \$125. New students who are siblings of a current student will pay the sibling registration fee of \$150 (\$125 after application fee credit). Registration fees are due within 3 business days of accepting your child's spot at our school in order to secure their spot in the class.

Tuition:

Tuition is broken down into 9 equal monthly payments. The school year runs from September-May. Tuition is paid one month in advance (August-April) and is due on the first of every month. If tuition is not in process or paid in full by the seventh of the month, a \$25.00 late fee will be applied. If late tuition is not paid by the ninth day of the month, the child will not be permitted to come to school until tuition has been paid in full or a payment plan has been agreed upon with the Director.

Absences:

All school holidays and breaks are taken into account when planning the tuition schedule. There are no refunds or deductions for days that students are absent due to weather, sickness, travel, or family circumstances/obligations. Please inform your child's teacher and the Director about long absences as soon as you are aware that an extended absence from school is planned.

If a student is going to be absent for more than 30 calendar days and tuition is not kept current, the student will be unenrolled and will forfeit their spot in the class. In this case, there is a fee of \$100 for reregistration and reenrollment of the student. Every effort will be made for a student to return to the same class and teacher, but this cannot be guaranteed. There is no exception for this policy.

Late Enrollment:

If you enroll your child after Aug 15, arrangements must be made with the Director to make sure all fees and advance tuition are paid in full by the end of the second month of enrollment.

If your child enrolls and starts school after the school year has already begun, their tuition will be adjusted accordingly: if your child starts school with 50% or more of the days in the month remaining, they will pay the full month's tuition. If your child starts school with less than 50% of the days in the month remaining, they will pay half of that month's tuition. Because tuition is paid one month in advance, arrangements must be made with the Director to schedule advance tuition payment, registration, activity fees, and supply fees. All fees must be paid in full by the end of the second month of enrollment.

Payments:

All fees and tuition payments are done in Procure with debit, credit, or ACH. Invoices will be sent directly to you on the first of every month. Auto draft payments are strongly encouraged.
